PNA-Fiber

Product Selection Guide 2026

One-stop FTTH products & solutions since 2008

Founded in 2008, PNA Fiber is a fiber optic cable and FTTH accessory manufacturer headquartered in Zhuhai, China, with factories in Zhuhai, Zhongshan (Guangdong) and Bac Giang (Vietnam). The company employs 200+ skilled professionals and exports 95% of its output to more than 60 countries. Annual capacity includes 4 million core-kilometres of optical cable and 40 million fiber optic connectors. Product lines cover indoor and outdoor cables, PLC splitters, fast connectors, patch cords, MPO/MTP and VSFF assemblies, ODF and FTTH distribution products.

About this guide

This guide groups the products currently published on pna-fiber.com by category. Each category includes a short overview, a representative product image and the live product-page links. No specifications, prices or certifications have been added that cannot be verified from the source pages; detailed datasheets are available on request.

How to request a quote

Send the product name or SKU, required quantity, connector/specification options and destination port to info@pna-fiber.com or WhatsApp +86 177 2419 8986. OEM/ODM branding, packaging and lead-time options can be discussed per project.
